Inside, the great room takes center stage with vaulted cathedral ceilings and a striking floor-to-ceiling stone fireplace, creating a warm and inviting gathering space. The thoughtfully designed single-level floor plan offers effortless living and features dual primary suites, each with direct access to the outdoor living spaces. The kitchen serves as the heart of the home, offering a stylish and functional setting for both everyday living and entertaining. The space features new granite countertops, sink, faucet, backsplash, cabinet pulls, and a complete Frigidaire Gallery appliance group. Each bathroom has been comprehensively renovated with new floor and shower tile, granite countertops, glass shower doors, Kohler shower fixtures, sinks, faucets, and cabinet pulls. Throughout the home, a clean, refreshed aesthetic is carried through with all-new carpet and tile, fresh interior and exterior paint, including the garage, updated lighting and ceiling fans, new window curtains, and new Kwikset door handles and hinges. A new Rheem HVAC system, LG washer and dryer, and security system add everyday comfort and convenience. Extensive professional HVAC, plumbing, electrical, roof, and septic inspections have also been completed within the past two years. Outdoor spaces provide inviting areas to enjoy the surrounding mountain setting, with a refreshed deck featuring a new railing system and a newly fenced and mulched backyard. Extensive landscaping enhances the property, while seal-coated garage and patio floors provide a clean, finished appearance. A substantial walk-in double door encapsulated crawlspace offers approximately 2,000 square feet of additional storage beneath the home, complete with a dehumidifier. This versatile space provides ample room for seasonal belongings, outdoor equipment, and other storage needs while keeping the main living areas uncluttered. With its single-level layout, dual primary suites, mountain views, and convenient location near the Glassy clubhouse, 1 Northstar Lane offers a comfortable setting for enjoying the best of mountain living.
