This beautifully maintained 2-bedroom, 1.5-bath furnished townhome is move-in ready and packed with thoughtful updates, including an updated heat pump, water heater, and new windows for added efficiency and peace of mind. Inside, you'll love the generous closet space, giving you plenty of room to stay organized, along with a newly enclosed patio, which has a finished interior, is insulated and shares the same HVAC system as the rest of the house, and adds extra living space to relax and unwind. Step outside and enjoy both a private patio on the first floor and a balcony off the primary bedroom, perfect for morning coffee or winding down after a day at the beach. Located in a quiet, gated community, this home offers both privacy and security, all while being right in the heart of North Myrtle Beach. One of the best parts? Hop on your golf cart and cruise to the beach, local shops, Main Street events, restaurants, or even grab a quick slice of pizza. This is coastal living at its most fun and convenient! The HOA makes life easy by covering water & sewer, insurance, cable & internet, trash pickup, and lawn care, so you can spend more time enjoying the beach life. If you've been looking for a place at the beach that truly checks all the boxes....this is the one to see!
