Two additional guest bedrooms are located on the main level and share a spacious bath with a double vanity, while the upper level offers a private fourth bedroom or flex space with a full bath, ideal for guests, a home office, or multigenerational living. An oversized laundry room with tile backsplash, cabinetry, and a sink adds exceptional convenience and functionality. Designed for effortless indoor-outdoor living, the heated and cooled Carolina room opens through oversized sliding glass doors to a custom paver patio and a heated and cooled saltwater pool overlooking the beautifully manicured 9th green. Additional highlights include luxury vinyl plank flooring throughout, dual HVAC systems, a tankless gas water heater, plantation shutters, custom motorized blinds, abundant walk-up and pull-down attic storage, and an oversized insulated two-car garage with epoxy floors and a mini-split system.
