## Description

Stunning Lake Wateree home with full walk-out basement that isn't included in the sq. footage. This house is massive and could easily be 5 bedrooms with space to spare. The gentle sloping lot and beautiful dock are the icing on the cake with this waterfront beauty. There are 2 primary suites that are HUGE (20x40) with gorgeous lake views. An additional bedroom is on the main floor also with lake view. The inside features an updated interior, fresh paint and gleaming hardwood floors downstairs. The large kitchen has plenty of counter space and storage along with a breakfast bar & separate pantry. The great-room has a cathedral ceiling, fireplace and french doors that open to a covered porch perfect for rocking chairs and a Wateree sunset. The basement is the perfect gathering place and ideal for entertaining with a bar, big screen TV and partial kitchen. It's like a second house! There is storage here for all of your lake toys as well as additional covered porches. The fully fenced back yard has two fenced side yards for pets. Irrigation and firepit are also features of this immaculate outdoor space. The 2 car attached garage has tremendous built-in storage and the large circle drive makes for easy maneuvering and provides ample parking. Schedule a showing today!
