Description

Country living without compromise! Welcome to 10163 Hardwick Road, where a like-new 2024 manufactured home sits on 2.56 peaceful acres in rural Horry County. With over 2,300 square feet, this 4-bedroom, 2-bath home gives you room to spread out, centered around a bright, open floor plan that flows easily from room to room. All appliances are included, so you can settle in from day one. Step outside onto the large decks, a great spot for morning coffee, evening cookouts, and enjoying the quiet of the countryside. Attractive brick underpinning and fresh new landscaping give the home a finished, polished look, and a private well and septic system add to the independence of country life. The engineer's foundation certification is already in hand, which helps smooth the path to closing. You get the condition and feel of a brand-new home without the new-home price tag. Move-in ready and waiting for its next owner. Call your agent and schedule your showing today!
