Description

Welcome to 103 Belmont Circle, a neat-as-a-pin brick ranch offering comfortable one-level living in an established Easley neighborhood. Freshly painted and move-in ready, this charming 950-square-foot home features three bedrooms, one full bathroom with a walk-in shower, hardwood floors, and a practical layout that makes every square foot count. Outside, the large fenced backyard provides plenty of room for pets, play, gardening, outdoor entertaining, or simply relaxing at home. An attached one-car carport includes a convenient laundry room, while the crawlspace has been improved with a new vapor barrier and dehumidifier for added peace of mind. With no HOA, this home offers flexibility and an approachable opportunity for first-time buyers, those looking to downsize, or anyone wanting a well-kept home with a generous yard. Enjoy easy access to downtown Easley, nearby shopping and restaurants, Highway 123, and convenient routes to Clemson, Greenville, and I-85. Simple, solid, and ready for its next chapter—because every home has a story. Some simply tell it better than others. Every effort has been made to provide accurate information; however, buyers and buyers' agents should independently verify any information deemed important.
