The Aria floor plan offers spacious one-level living with a desirable split-bedroom layout, abundant closet space, and an open-concept design that works well for both everyday living and entertaining. The kitchen is the heart of the home and features white Shaker-style cabinetry, granite countertops, stainless steel appliances, a smooth-top range, double stainless steel sink, large island, and a separate pantry. The kitchen opens directly to the dining and living areas, creating a welcoming space filled with natural light. The spacious primary bedroom features carpet, a ceiling fan, and a large walk-in closet. The primary bathroom offers a double-sink vanity, large shower, and an additional closet for extra storage. Two additional bedrooms provide comfortable space for family, guests, or a home office, and all three bedrooms are carpeted and wired for ceiling fans. LVP flooring extends throughout the living room, kitchen, dining area, bathrooms, and entrance hallway. A nice-sized storage closet is conveniently located in the hallway near the laundry room, providing even more storage space. Step outside and enjoy the peaceful pond setting from the covered and screened rear porch—an ideal spot for relaxing in the evening or enjoying your morning coffee.
