Description

This 1.41-acre lot sits on the eastern side of Longview Carolina and is one of the largest homesites in the community. Set at the end of a private road, the property offers mountain views, relatively level terrain, and mature hardwoods, providing a quiet setting with room to build. Longview Carolina is a gated agrihood in the foothills of the Blue Ridge Mountains, where nature meets convenience. Downtown Easley is just minutes away, with Greenville and Clemson about 25 minutes in either direction. Developed by the same visionary behind Riverstead and the Cliffs Communities, Longview Carolina is a 180-acre resilient living community built for those who value sustainability, connection, and lifelong learning. Residents enjoy hiking and biking trails, a working organic farm where neighbors pitch in through farm work days and share in the harvest, and the Pinnacle Pavilion, a community centerpiece offering 50+ mile views of the entire Upstate. Discover what it means to live "World's Apart, Yet Minutes Away!"
