Description

Set along the marsh in one of South Mount Pleasant's most convenient locations, this beautifully updated two-bedroom townhome pairs incredible Lowcountry scenery with a stylish, comfortable interior and easy access to everything Charleston has to offer. The main level is sophisticated and inviting, with marsh views that immediately draw your eye and genuinely make this home feel special. Bamboo flooring, a wood burning fireplace, shiplap accents, and thoughtful updates add warmth and character throughout. The light and bright renovated kitchen features updated/newer appliances, generous cabinetry and counter space, along with built-in banquette seating that makes the kitchen an especially welcoming place to gather, dine, or enjoy your morning coffee. Upstairs are two spacious bedrooms, each with its own renovated ensuite bath and custom California Closets, offering excellent storage and organization, as well as a laundry closet. A powder room is conveniently located on the main level. The townhome also offers a one car garage plus expanded off-street parking that will accommodate two cars. The back deck is a perfect place to relax and take in the marsh view. All of this combined with a 2023 roof and HVAC offer turnkey living. And then there's the location. From here, you're just minutes from downtown Charleston, Sullivan's Island and Isle of Palms, Shem Creek, and I-526, making it easy to get just about anywhere. Updated, beautifully maintained, and ideally located, this is simply an easy place to call home.
