Description

Lovingly updated with a fresh coastal-inspired aesthetic, this beautiful 4-bedroom, 2-bath brick ranch is nestled beneath majestic oak trees in the highly sought-after Snee Farm community of Mount Pleasant. This one story, ground floor living offers thoughtfully designed open space. The home showcases a timeless neutral palette, updated lighting, fresh paint throughout, and carefully selected finishes that create a bright, airy, and welcoming atmosphere. The heart of the home is the stunning open-concept kitchen and living area, featuring a large quartz island with generous seating and storage, custom white cabinetry, stainless steel appliances, and abundant prep space for entertaining or everyday living. French-style glass doors off the kitchen provide beautiful backyard views and fill the space with natural light while creating a seamless connection between indoor and outdoor living. A newly installed HVAC system is a major upgrade, offering modern efficiency and reducing future maintenance concerns. Step outside to enjoy the large backyard, complete with multiple storage sheds offering ample space for lawn equipment, gardening tools, bikes, beach gear, and outdoor toys--keeping everything organized while preserving plenty of room to relax and entertain. Mature landscaping and a spacious front yard provide exceptional curb appeal, while the attached two-car garage and generous driveway offer room to park lots of cars, convenience and good storage. Beyond the home, enjoy the unmatched lifestyle that makes Snee Farm one of Mount Pleasant's most desirable communities. Residents have the opportunity to join Snee Farm Country Club, located on the historic 200-year-old Snee Farm Plantation. The private club features a championship golf course, two beautifully renovated pools, full service restaurant and bar, clubhouse, tennis courts and fitness center. Ideally located just minutes from beaches, shopping, dining, and historic downtown Charleston, this exceptional home offers the perfect blend of comfort, convenience, and Lowcountry living.
