Description

This charming 2-bedroom, 2-bathroom, ±1,500-square-foot farmhouse, built in the 1950s, has been thoughtfully restored to preserve its traditional farmhouse character while incorporating modern updates and conveniences. Original details blend beautifully with the home's inviting finishes, exposed wood beams, a wood-plank ceiling, original hardwood floors, and a spacious kitchen featuring painted cabinetry, butcher-block countertops, stainless steel appliances, and large windows overlooking the property. The open living and kitchen area provides a comfortable gathering space, while abundant windows fill the home with natural light and provide peaceful views of the surrounding almost 3 acres. Covered front and rear porches provide inviting outdoor spaces to enjoy the surrounding property. Additionally, there is a 40' x 48' x 16' eave-height pole building featuring a finished "barn apartment" with a full kitchen, living area, bedroom, and full bathroom, along with additional rooms currently used as a tool room and office. The building also has a large loft area providing excellent storage space with potential to be finished for additional living space. The property also features a 20' x 20' shop with lean-to, 10' x 16' block building, 16' x 36' three-stall shed-row horse stable, 8' x 16' goat house, 8' x 8' chicken coop, and a smoker/smokehouse. +/- 0.4 acres of fenced horse paddock. With multiple outbuildings and dedicated spaces for horses, goats, chickens, equipment, hobbies, and storage, this property provides a unique opportunity to enjoy the charm of a restored farmhouse with the functionality of a small working homestead. Zoned for Lexington One Schools. Close Proximity to I-20 and the Town of Lexington. Please see associated documents for list of recent property improvements. Property being sold as-is.
