Description

Welcome to 1057 Courtyard Drive, a beautifully updated, move-in-ready home situated on a spacious 0.38-acre lot in Conway's established Castlewood community—with NO HOA and a peaceful location near a quiet cul-de-sac. Step inside to an inviting open-concept layout connecting the living, dining and kitchen areas, all featuring durable LVP flooring. The updated kitchen offers new cabinetry, solid-surface countertops, a farmhouse sink and stainless-steel appliances. A desirable split-bedroom floor plan provides added privacy, while the primary suite features generous closet space and an updated private bath. Thoughtfully maintained and extensively improved, this home offers several major updates, including a newer roof, HVAC system, water heater and gutters, along with fresh paint and updated finishes throughout. Buyers can enjoy the character and space of an established home without facing a long list of immediate projects. The outdoor space is another standout feature. The large, privacy-fenced backyard provides plenty of room for pets, gardening, entertaining or simply relaxing outdoors, with a peaceful view toward the retention pond. A detached storage building/workshop with both roll-up and pedestrian doors adds valuable storage and flexible space that can be difficult to find at this price point. The location is equally convenient—approximately two miles from Coastal Carolina University and Conway Medical Center, with grocery stores, restaurants, gas stations, shopping and other everyday necessities just minutes away. The home is priced competitively based on current market comparables—not because of condition or seller urgency. For buyers searching for an updated Conway home with a large lot, privacy, useful storage, NO HOA and a convenient location, 1057 Courtyard Drive is one you'll want to see.
