Thoughtfully designed and loaded with upgrades, this beautiful home offers the quality, space, and coastal location homeowners are looking for. From the moment you arrive, the oversized front porch makes an impression and provides the perfect spot for morning coffee or relaxing at the end of the day. Inside, the bright, open-concept floor plan flows beautifully through the main living area and modern kitchen, creating an inviting space for everyday living and entertaining. The primary suite is a true retreat featuring an enormous walk-in closet, double vanities, a soaking tub, and separate walk-in shower. Step outside to the oversized rear porch, offering even more space to entertain, grill, or simply enjoy the coastal lifestyle. This home has been exceptionally cared for and includes numerous thoughtful upgrades, including a whole-house water filtration system and durable epoxy flooring added to the oversized two car garage; as well as front and back porches! There are so many additional improvements and special features throughout the property—please ask for the complete Upgrades & Features document for all the details.
