Description

Built in 1961 and lovingly occupied by the same family ever since, this generously sized Greenwood home offers a rare opportunity to create a home tailored to your lifestyle. Featuring 4 bedrooms and 2.5 baths, the home provides plenty of room for an active household, with a spacious living room and dining room ideal for everyday living and entertaining. Connected to the kitchen is another cozy space that can be used as a den or sitting area. Two separate, private areas off the carport offer versatile flex space that could be used for a home office, gym, hobby room, studio, or other personal pursuits. Set on approximately one acre, the property is surrounded by mature trees and established plantings, creating a peaceful setting with tremendous potential. The expansive grounds provide endless opportunities to reimagine the landscaping, add outdoor living spaces, or create the garden you've always envisioned. After more than six decades with the same family, this special property is ready for its next chapter.
