Description

Beautifully positioned along the 10th fairway of Long Bay Golf Club, this 3 bedroom, 2 bath all brick home combines classic curb appeal, a spacious homesite and an exceptional golf course setting in one of the area's established golf communities. From the moment you arrive, the home makes an impression. The all brick exterior is complemented by mature landscaping, a sweeping front lawn and a welcoming covered entry. Inside, the home offers a comfortable, well designed floor plan with generous living spaces and plenty of natural light. The three bedroom, two bath layout provides flexibility for full time living, a second home or space for visiting family and friends. Large windows throughout the home take advantage of the property's natural surroundings and help bring the outdoors in. One of the home's most appealing features is its location directly on the 10th fairway of Long Bay Golf Club, a Jack Nicklaus designed course. The setting offers beautiful views of the course along with mature trees and green space, giving the property a peaceful and open feel. The seller is motivated and has established the asking price with the home's current condition in mind, offering a wonderful opportunity for a buyer who sees the potential in this property and its exceptional location. The property is being sold As Is. Long Bay offers an attractive residential setting surrounding its signature golf course, with convenient access to shopping, dining and everyday necessities in Longs and North Myrtle Beach. The beaches and attractions of the Grand Strand are also within easy reach. With its all brick construction, golf course frontage, spacious homesite and location along a Jack Nicklaus designed course, 108 Long Bay Golf Place presents an opportunity to make this home your own in a beautiful and established setting. Golf and Pool memberships are not included with the HOA and are part of the Long Bay Golf Club. Please contact the pro shop for membership information.
