Description

109 Hydrangea Way is a two-story Simpsonville home with a two-car garage and a rear deck. The kitchen features dark cabinetry, granite countertops, stainless steel appliances, and a center island with wood-look flooring, opening to a living room with a fireplace. A formal dining room with wainscoting adds a defined gathering space on the main level. Upstairs, carpeted bedrooms are generously sized, and the primary bathroom is finished with a freestanding soaking tub, a separate glass-enclosed shower, and a double-sink vanity. Additional full and half bathrooms serve the home. Clean, neutral finishes and crown molding carry throughout. Out back, the deck steps down to a grassy yard bordered by trees. The layout balances formal and casual living with comfortable upstairs quarters. This home has been virtually staged to illustrate its potential.. Included 100-Day Home Warranty with buyer activation
