Description

Fully renovated, completely move-in ready, and NO HOA! This home has been updated from floor to ceiling, so all you have to do is unpack and enjoy it. Step inside to fresh paint, new LVP flooring throughout, new windows, and a beautifully renovated kitchen featuring brand-new cabinets, quartz countertops, and stainless steel appliances. Both bathrooms have also been completely redone with stylish designer tile and fresh, modern finishes. And the updates don't stop inside! A new roof and new HVAC mean the big-ticket items have already been taken care of. Out back, you'll find an enormous, fully fenced yard with tons of room for pets, entertaining, a garden, or simply enjoying your own private outdoor space. The location makes this one even better. You're just minutes from Nexton with award-winning restaurants, endless shopping, entertainment, and everyday conveniences right around the corner. Plus, with quick access to the interstate and many of the Lowcountry's largest employers, getting where you need to go couldn't be easier.
