Description

Slip B-9 measures 20' x 40' and can accommodate a boat up to 55 feet. The marina combines concrete pier infrastructure with wood decking and offers a convenient location for exploring both the Folly River and the Atlantic Ocean. The slip is positioned in a well-protected area, providing a calmer environment for your boat while docked. Marina amenities include restrooms, an ice machine, and slips equipped with 30- and 50-amp power and water hookups. Live-aboard is not permitted in this marina. Sellers would also sell the boat with this transaction.
