Description

If you're looking for room to spread out in Dacusville, 110 Diane is ready to impress. This home offers expansive living spaces and a floor plan designed for both everyday living and entertaining. The home offers a solid floor plan with generous room sizes and is ready for a new owner to add their personal touches and updates. The spacious kitchen overlooks two separate living areas and the dining space, creating an open gathering area for family and friends. Featuring a split bedroom floor plan, the bedrooms are thoughtfully positioned on opposite sides of the home for added privacy. With no carpet throughout, maintenance is simple and convenient. The oversized kitchen is equipped with an island, breakfast bar, pantry, and an abundance of cabinet space. The primary suite includes a walk in closet, oversized bathroom, and a separate office that is perfect for working from home, a nursery, or private sitting area. Separate laundry and mud rooms are located on opposite ends of the home for added functionality. Outside, you'll appreciate the privacy the property offers from neighboring homes and the road. Enjoy your morning coffee on the large screened porch overlooking the fenced backyard, an ideal space for pets to play. The oversized workshop is fully powered, providing endless possibilities for hobbies, storage, or projects. According to the seller, the HVAC was replaced approximately six months ago, the water heater is also recently updated, and the home has been detitled.
