Description

Price improvement for this move-in ready and meticulously updated, single-story home in an established Spartanburg neighborhood. This home offers comfortable, low-maintenance living in a high-demand location. Recent improvements include a new roof, new flooring throughout, and fresh interior and exterior paint—all completed in 2026. A split-bedroom floor plan places the primary suite on one side of the home, separated from the three additional bedrooms by the living and dining areas, providing privacy and flexibility for families, guests, or roommates. With four off-street parking spaces and no HOA restrictions, this property is equally well suited to homeowners and investors seeking a desirable rental in a growing market. Ideally situated with convenient access to Interstates 85 and 26, between SC Hwy 9 and US Hwy 221, near Spartanburg Medical Center. The home is close to schools, medical facilities, shopping, dining, entertainment and recreation, with a short commute to University of South Carolina Upstate, Wofford College, Converse University, Sherman College of Chiropractic, Downtown Spartanburg, and major upstate area employers and industry.
