Description

Located in Lexington, SC and zoned for the highly desirable Lexington One School District, this 4-bedroom, 2.5-bath home offers 2,046 square feet, a main-level primary suite, upstairs loft and screened porch—all in a convenient location just 2 miles from I-20 and approximately 1/2 mile from Red Bank Elementary. Designed for comfortable everyday living, the open-concept main level connects the living area to a spacious kitchen featuring white cabinetry, granite countertops, a large center island, pendant lighting, gas range, and generous cabinet and prep space. Just off the main living area, the screened porch extends the living space outdoors and provides a relaxing spot for morning coffee, dining or entertaining. The first-floor primary suite gives the convenience and privacy of main-level living, while upstairs, three additional bedrooms surround a generous loft/flex space that can easily serve as a second living area, home office, media room, playroom or workout space. The home comes with a 2-10 Home Warranty covering home appliances. Home has an underground dog fence in the backyard with a collar for your precious pet. The location puts everyday conveniences within easy reach, with Lowe's Foods, Planet Fitness, restaurants, shopping, and services approximately 2.7 miles away and Lake Murray access just 7 miles away. Quick access to I-20 makes commuting to Columbia, downtown Lexington, and surrounding areas. Disclaimer: CMLS has not reviewed and, therefore, does not endorse vendors who may appear in listings.
