The foyer entry leads to a dedicated home office with a black sliding barn door, ideal for remote work or flex space. The main living area is open and bright with vaulted ceilings, a natural pine beam, and an electric fireplace with a floor-to-ceiling board and batten surround. The kitchen is finished with Blaze Black shaker cabinets, granite countertops, a farmhouse sink, and black stainless appliances, offering both style and everyday usability. The primary suite includes a tray ceiling with a pine beam and a private bath featuring a custom tile shower with charcoal accents, double vanities, and black fixtures. LVP flooring runs throughout, and the interior is finished in Origami White with black doors and a black-and-gold lighting package for a clean look.
