Description

Rare Beachside Find in Surfside Beach! Just a short walk to the beautiful beach of Surfside Beach, this cozy two-story home offers a rare opportunity to own a piece of the classic beach lifestyle. Each floor features two bedrooms, a living area, a kitchen, and a full bath, providing flexibility for family, guests, or potential rental income. The second floor has its own exterior access and a deck with ocean views. Located on 9th Avenue North, a quiet street that is not a thruway, the home is just steps from the beach walkway. The front lawn features a stately oak tree, while the spacious backyard offers plenty of room for a pool. Inside, rustic paneling captures the charm of the original beach house, and the enclosed porch is the perfect spot to relax and watch the world go by. Surfside Beach is an incorporated town with its own mayor, town council, and municipal services. Known as "The Family Beach," it offers activities and attractions throughout the year, along with the beautiful beach just moments away.
