Description

Prime residential homesite in the growing St. George, South Carolina market. This approximately 0.27-acre buildable lot presents an excellent opportunity for homebuyers, builders, investors, and those seeking affordable land in Dorchester County. Zoned residential, the property offers the potential to build a custom home, starter home, retirement residence, or long-term investment property. Located within the Town of St. George, this property provides convenient access to local schools, shopping, restaurants, healthcare facilities, and major transportation routes. Just a short drive to Summerville, Charleston, Volvo, Mercedes-Benz Vans, and other major Lowcountry employers, this location combines small-town charm with accessibility and future growth potential. With limited residential lots available in the area, this property offers an opportunity to secure land in a market experiencing continued development and demand. Whether you're looking for a homesite, investment property, new construction opportunity, or land to build your dream home, this parcel deserves consideration.
