Description

3-bedroom, 1-bath home located in Darlington offering approximately 1,078 heated square feet. Originally built in 1926, the property features a metal roof, recently installed HVAC system, updated kitchen with granite countertops and newer LG appliances, renovated bathroom with tiled walk-in shower, and includes washer and dryer. The home also includes a separate formal dining room and sits on a lot with no HOA. The property is in need of repairs and additional renovations and buyers should conduct all inspections and due diligence to determine the condition of the property. Property is being sold strictly as-is. Currently in pre-foreclosure and potential short sale approval may be required. Cash buyers or renovation financing may be most suitable. Conveniently located near downtown Darlington, local schools, shopping, dining, and major travel routes.
