Description

117 Azalea Rd is a 1-story Goose Creek detached brick home built in 1980 on roughly a quarter-acre lot. The kitchen is fitted with white cabinetry, stainless steel appliances, granite countertops, and wood-look flooring, with a sliding glass door that opens directly to the backyard for easy access outdoors. A brick fireplace anchors the main living area beneath a vaulted ceiling, adding warmth and ambiance, and the space flows openly into the kitchen with a ceiling fan overhead. The bedrooms carry the same vaulted ceilings and ceiling fans for comfortable resting space, served by a full bathroom with a single-sink vanity and a tiled walk-in shower, along with an additional bathroom with a single-sink vanity. A fully fenced backyard shaded by mature trees and an attached one-car garage comp
