Description

Space, privacy and thoughtful design come together at 1178 S McElhaney Road. Set on approximately 1.5 acres with no HOA, this new construction home by Blue Sky Builders and designed by Naomi Pratt Design, offers an inviting single-level layout designed around comfortable everyday living and entertaining. The Maggie floor plan welcomes you with covered front and rear porches and an open interior filled with high ceilings, hardwood flooring and carefully selected finishes. The kitchen sits at the heart of the home with quartz countertops, a large island, gas appliances and a walk-in pantry, opening naturally into the dining and living spaces. A gas-log fireplace anchors the living room, while vaulted ceiling details add character and dimension to the main gathering space. The primary suite is privately positioned with a spacious walk-in closet and a well-appointed bathroom featuring a double vanity, separate shower and soaking tub. Three additional bedrooms give the home plenty of flexibility for guests, family or a dedicated office, while the walk-in laundry room and generous storage keep the floor plan practical for everyday life. Outside, the covered rear porch creates an easy extension of the living space with room to enjoy the surrounding acreage. With a level homesite, attached two-car garage and no HOA, the property offers breathing room without sacrificing convenience. Located just off Highway 101 with easy access toward Greer and the surrounding Upstate, 1178 S McElhaney Road offers the space of an acreage property with the design, finishes and simplicity of a brand-new home.
