Entry into the home takes place through a sprawling screened front porch built to enjoy the coastal weather. Inside the home you will find plenty of room for cooking in the gourmet kitchen with double oven, stainless steel appliances, solid surface countertops and oversized island. The primary bedroom boasts a walk in closet, tray ceiling, and large en suite bathroom with double sink, shower, and oversized soaking tub. There are two additional downstairs bedrooms as well as a bedroom with a full bath upstairs. The back of home is lined with custom sliding doors allowing for maximum light in the home as well as views of the gorgeous oversized half acre lot. The backyard paver patio and fire pit is perfect for entertaining friends and family. There is no HOA, oversized garage with lots of storage, and plenty of space for boat or RV parking.
