Description

Value hunters, this one belongs on your radar. Located at 1210 West St in Spartanburg, this 3 bedroom, 1 bathroom home wraps comfort and affordability into a tidy 1,109 square feet, proof that a smart price and genuine livability can coexist beautifully. Step onto the welcoming front porch, the kind of spot made for morning coffee or waving to neighbors as the day unfolds. Inside, easy-care LVP flooring flows underfoot, offering the good looks of wood with none of the fuss. Brand-new vinyl tilt windows brighten every room while keeping cleaning simple and energy bills in check. Three bedrooms deliver flexible space for rest, guests, or a dedicated home office, and the whole home arrives move-in ready, with no projects and no waiting, just unpack and settle in. The real headline here is the lot. Generous and open, the grounds hand you room to garden, play, entertain, or simply stretch out under the Carolina sky, outdoor breathing space that's increasingly rare at this price. Location rounds out the appeal. Hatcher Garden and Woodland Preserve sits just minutes away, its winding trails and lush greenery perfect for unhurried weekend strolls. Baseball fans will love the quick hop to Fifth Third Park, a lively hub for games, festivals, and community gatherings. Affordable, updated, and anchored by a lot that truly delivers, this Spartanburg charmer checks the boxes that matter most. Homes like this move fast, so schedule your private showing today before someone else claims it.
