Description

No HOA, no cookie cutter, just a whole lot of charm! This 3 bedroom home has been meticulously kept and it shows the moment you walk in. The living room has vaulted ceilings and wooden beams that give the space real character, plus a cozy fireplace. The kitchen has stainless steel appliances and a large window that fills the room with natural light. The primary suite is on the main level and has a fireplace of its own, so you can end every day by the fire. Upstairs, a large loft gives you room for an office, a playroom, a media space, or whatever fits your life. Slide open the glass doors to a beautiful back porch overlooking a fenced yard that's ready for pets, play, and weekend hangouts. There's also a detached garage out back for extra storage, a workshop, or your toys. You get space, a workshop, or your toys. You get space, character, and freedom from HOA rules, just minutes from Moncks Corner. Homes like this don't come around often, so schedule your showing today!
