Description

CHARACTER, PRIVACY & ROOM TO MAKE IT YOUR OWN IN EASLEY! If you've been looking for a home with personality, outdoor space, and a setting that feels tucked away while still being close to everything, this one deserves a look! Situated on approximately .56 acres, this character-filled home offers a unique combination of charm, privacy, versatile living space, and substantial outdoor amenities. Inside, you'll find multiple living areas along with an expanded primary suite featuring a private bath. Numerous improvements have been made throughout the property, including updated plumbing and electrical, HVAC serving the addition, newer exterior finishes, and a spacious elevated rear deck overlooking the wooded portion of the lot. The outdoor setting is truly special. A natural creek/spring border and mature wooded surroundings create a peaceful backdrop and a wonderful sense of privacy. The large rear deck provides an inviting place to enjoy morning coffee, grill, entertain guests, or simply unwind and take in the setting. The elevated rear addition adds even more flexibility, with additional space above and a covered area below that could be used for parking, a workshop, entertaining, or storage. A generous 26x10 storage shed provides even more room for tools, hobbies, equipment, and outdoor essentials. And the location makes it even more appealing—enjoy a peaceful property while remaining less than 10 minutes from Doodle Station & Park, Kids Play & Cafe, The Silos of Easley, Southern Weaving Food Hall, and other Easley conveniences, dining, and entertainment. This is not your typical cookie-cutter property. With its character, generous lot, privacy, outdoor living spaces, and flexible layout, it offers an opportunity for a buyer looking for something distinctive with room to add their own finishing touches. Come see the setting, explore the space, and imagine the possibilities—schedule your private showing today! Buyer to verify all square footage, room dimensions, zoning, permits, additions/improvements, and intended use of the property. Improvements/addition were completed without permits and are being conveyed as-is. Seller makes no representations regarding the permitting or code status of those improvements.
