Description

See yourself here on a slow Sunday morning. The wind moves through the trees without interruption, and the only sound is the quiet rustle of leaves and birdsong in the distance. This is a place where time slows down. Come feel the quiet for yourself and imagine pulling into this driveway after a long week, knowing your commute ended right here. No HOA fees to worry about. A 0.67-acre yard gives you room to breathe, garden, and family gatherings. Sunlight fills every room through large windows all day long. Remodeled in 2020. Gutters installed in July 2026. Easy living with 960 square feet of well-planned space that is completely ready for you to move in. An eat-in kitchen with plenty of counter space connects to a handy laundry room. Transferable Termite Bond-Stark Pest Control.
