- Traditional

Description

Rarely does a newer home with no HOA and this much land come available in Hanahan at this price! Built in 2014, this well maintained 3 bedroom, 2.5 bath home offers 1,757 square feet and plenty of space both inside and out. The main level offers a comfortable and functional living space with an eat-in kitchen and spacious family room featuring a gas fireplace, perfect for everyday living and entertaining. The kitchen includes a gas stove, walk in pantry and new garbage disposal, while fresh paint throughout, crown molding, and wainscoting add a polished touch. And for an extra piece of mind, the entire house has impact windows! Upstairs, the spacious primary suite features a walk-in closet and private bath with dual sinks, a garden tub, and separate walk-in shower. Two additional bedrooms and a full bath provide plenty of space for family, guests, or a home office. Outside, you'll love the privacy-fenced backyard, screened porch, and patio, creating an inviting space for entertaining, relaxing, gardening, or simply enjoying the outdoors. The generous .38-acre lot provides room to spread out, something that's increasingly hard to find with newer construction in Hanahan. Enjoy the freedom of no HOA, offering greater flexibility for boat and RV parking, landscaping, outdoor improvements, and making the property your own all without the added cost of HOA dues. Location is another highlight! The home is within walking distance of Hanahan High School and offers easy access to I-26, shopping, restaurants, and more. If you've been looking for a newer Hanahan home with no HOA, a large lot, great outdoor space, and a convenient location, 1255 Redeemer Drive is a rare opportunity!
