Description

This home offers offers practical one-level living with lasting all-brick construction and a thoughtfully refreshed interior, without an HOA. This three-bedroom, two-bathroom ranch provides 1,324 square feet in an efficient layout that makes everyday routines feel simple and comfortable. Recent improvements add meaningful value, including newer vinyl windows throughout and an architectural shingle roof installed approximately one year ago. Tasteful updates give the home a clean, current look without sacrificing its classic character. The solid brick exterior reflects the kind of quality and durability buyers appreciate. Outdoors, the fenced yard creates a defined space for pets, play, gardening, or relaxed afternoons. A detached garage expands the possibilities for parking, storage, hobbies, or a workshop. With no homeowners association, owners can enjoy added freedom and avoid monthly association dues. The location keeps daily needs and regional travel within easy reach. . Eligible buyers may also benefit from USDA 100% financing. Combining a manageable footprint, useful outdoor space, major updates, and a convenient neighborhood setting, this property presents an appealing opportunity for first-time buyers, downsizers, or anyone seeking a single-level home without association restrictions. Schedule a private tour and see how well this Boiling Springs address fits your next chapter. USDA 100% financing may be available to qualified buyers, offering an excellent opportunity for eligible purchasers to potentially buy this home with no down payment. Preferred lender will pay a portion of buyer's closing cost This one is a must-see!
