Description

Experience modern day luxury and convenience in the heart of all that Greer has to offer at 1288 Ansel Road. The Ansel is a thoughtfully designed 4-bedroom, 3.5-bath new construction home built by Caba Construction. The Ansel plan features timeless architectural character, elevated finishes, and a floor plan designed to meet all your needs. The main level offers a spacious primary suite, plus three additional bedrooms, an expansive great room with fireplace, designer kitchen, dining area, walk-in pantry, mudroom, and covered rear porch! Upstairs, a generous flex space provides additional room to fit your lifestyle, whether used as a movie room, workout space, private office, or guest quarters. The exterior showcases a refined mix of stone, warm wood tones, and black accents, while the interior offers finishes you will never want to leave, including quartz countertops, engineered white oak flooring, and thoughtfully selected fixtures. The Ansel plan brings sophisticated design and modern comfort together. This home is currently under construction; a verified appointment by the agent is required prior to entry on site. Plan changes, finishes, dimensions, and selections are subject to change by the builder. Enjoy the best of modern living with acreage and convenient access to Greer and the Upstate. Book your appointment today!
