Description

Welcome to Club Drive , where lifestyle and location take center stage. Just a 1–2 minute walk to local favorites like The '05 and Augusta Street Market & Deli, and only moments from Greenville Country Club, this address is hard to rival. This 4-bedroom, 3-bath home offers a rare opportunity to secure meaningful space in this price range; where homes of this size are increasingly difficult to find under \$1M. With single-level living and a comfortable, flexible layout, it's well-suited for both everyday living and future vision. Open spaces, but also nooks for privacy and a wonderful primary suite. The porch is perfect for the Masters, March Madness basketball and relaxing mornings, afternoons, and evenings! The home carries a "charmer" feel—solid brick, inviting, and full of personality. You will love the hardwood floors and archways. Nice updates have been made along the way, and it still presents a great canvas for buyers who value location and want upside in making it their own over time. This property offers a wonderful lot, a quaint home with FOUR bedrooms, and compelling blend of walkability, space, fun.
