Description

Tucked away in rural Winnsboro, this cheerful yellow cottage sits on a full acre with plenty of room to slow down, spread out, and enjoy a little more space around you. The kind of place where you can picture mornings on the porch, a garden out back, chickens in the yard, or simply enjoying the quiet of country living. Inside, 1,128 square feet offers 2 bedrooms and 1.5 bathrooms with a cozy, easy-to-live-in layout. Thoughtful updates over the past year have given the home a fresh feel while keeping its cottage charm, including fresh interior and exterior paint, granite countertops, new stainless steel appliances, updated fixtures, and LVP flooring in the bathrooms and dining area. The roof has also been repaired as needed, including a full replacement of the rear portion. Move right in and make it your own, whether you're looking for a peaceful place to call home or a charming addition to your investment portfolio.
