Description

131 Fox Chase is a Lexington home where a brick fireplace framed by built-in bookshelves anchors the living room. The kitchen features white cabinetry, marble-look countertops, a peninsula, and a built-in desk, while a family room with a tray ceiling and arched window adds a second gathering space. Built-in bookcases frame the entry to a dining room finished with chair rail molding. The primary bedroom offers a tray ceiling and a bath with a double vanity, and an additional room with a sloped ceiling provides flexible space. Fresh interior paint, new plank flooring, new carpet in the bedrooms, and a resurfaced tub complete the updates, with a deck out back overlooking the yard. Included 100-Day Home Warranty with buyer activation Disclaimer: CMLS has not reviewed and, therefore, does not endorse vendors who may appear in listings.
