Description

Sea Master 203 is a well maintained two bedroom two bathroom ocean view condo located in an oceanfront building in Garden City Beach. This furnished coastal retreat has been thoughtfully updated with a fresh interior repaint in a clean neutral tone, upgraded luxury vinyl plank flooring throughout the living areas and bedrooms, and complete furniture replacements during the seller's ownership. The HVAC was replaced in 2022 which provides added comfort and reliability. The condo also offers a strong rental income history which adds value for investors and second home owners. The kitchen opens directly into the dining and living area where the ocean becomes the main focal point. Large sliding glass doors lead to a covered balcony with wide views of the Atlantic Ocean. It is an ideal place to enjoy morning coffee, afternoon shade, and the coastal setting year round. The primary bedroom features ocean views from two windows and provides direct access to the balcony. The guest bedroom is located toward the front of the condo which offers a nice separation between the bedrooms. Both bathrooms add more privacy and comfort for your stay. Sea Master offers a convenient Garden City Beach location close to the Garden City Pier, restaurants, fishing, local shops, Myrtle Beach attractions, and the Murrells Inlet Marshwalk. The building features multiple elevators, an oceanfront pool with a large sun deck, direct beach access, and a laundry room on each floor. There may also be an option to install a private washer and dryer inside the unit. Please inquire for additional details. This ocean view condo is suited for a coastal getaway, a vacation rental property, or an investment opportunity along the South Strand. Sea Master 203 is clean, updated, fully furnished, and ready for new ownership. Please contact the listing agent, or your Realtor, to schedule a showing or learn more today!
