## Description

1321 E Washington St is a single-story brick home with a functional, connected layout. The kitchen includes a stainless steel refrigerator and range, a peninsula for added prep space, and white cabinetry with a tiled backsplash. The living room opens to the main hallway and connects the surrounding rooms. Bedrooms feature carpeting, and closet space, while two full bathrooms include tiled surrounds, vanities, and a tub. A separate utility room provides a laundry sink and added storage. Outside, an in-ground pool sits within a fully fenced backyard on a generous lot, completing a well-maintained residence with practical amenities throughout.
