Description

Set on a beautifully landscaped half acre homesite in a gated custom home community, this impressive 4 bedroom, 2.5 bath residence offers more than 2,600 heated square feet, a spacious bonus room, exceptional outdoor living, and garage space that is nearly impossible to find. Inside, the home features hardwood flooring, quartz countertops throughout the kitchen and bathrooms, and a welcoming living area centered around a custom propane fireplace. The kitchen offers generous cabinetry, an oversized island, and a dedicated propane line already installed for a gas range. A tankless water heater adds even more efficiency and convenience. Trex decking enhances both the front and rear porches, while the elevated screened porch provides a comfortable place to relax and enjoy views of the wooded backyard. The large fenced yard offers plenty of room for entertaining, pets, gardening, or a future pool and is supported by a lawn irrigation system and custom hardwired landscape lighting. Car enthusiasts, RV or boat owners, and anyone needing a serious workshop or storage space will appreciate the three car garage and separate 16 by 40 foot RV garage. Measuring approximately 15 feet tall with a 14 by 14 foot door, the RV garage is insulated and finished and includes 100 amp electrical service along with plumbing and sewer hookups. Community amenities include gated access, a swimming pool, and a private boat ramp providing direct access to the Waccamaw River. The home is also approximately 10 minutes from historic Downtown Conway, where you can stroll the scenic Riverwalk, explore locally owned shops, attend seasonal community events, catch a performance at the Theatre of the Republic, or enjoy popular dining destinations such as Rivertown Bistro, Crooked Oak Tavern, Bonfire, Crafty Rooster, and The Trestle. With its half acre homesite, wooded setting, extensive garage capacity, river access, and proximity to Downtown Conway, this property offers a rare combination of space, functionality, and Lowcountry lifestyle.
