Description

Bright and well-positioned in Blue Pride Estates, this 4-bedroom, 3-bath home offers an open floor plan with abundant natural lighting, defined living spaces, and an attached garage designed for everyday functionality. The layout provides approximately 1,950 heated square feet per prior MLS records and includes a bonus room suitable for a home office, guest space, or flexible use. The property does show deferred maintenance and outdated finishes, presenting an opportunity for buyers to update and add value. Conveniently located just off Noble Rd, the home offers easy access to local shopping and dining in Loris and a short drive to North Myrtle Beach, Cherry Grove Beach, Barefoot Landing, Coastal Grand Mall, and Broadway at the Beach. Nearby parks, golf courses, retail centers, and restaurants enhance the appeal for buyers seeking space, location, and upside potential within the Grand Strand area.
