Description

Welcome to move-in-ready 1408 Saluda Dam Road! Perfectly situated in a highly convenient Easley location just off the SC-153 extension for an effortless 19-minute commute to downtown Greenville. This beautifully updated 3-bedroom, 2-full-bath traditional ranch sits on a level ~0.58-acre lot with no HOA. The property is a true horticulturist's dream, featuring dozens of ornamental plants and a magnificent, 30-year-old Redwood tree. Inside, you will find a bright, open-concept living space with smooth ceilings, pristine newly restained wood floors, updated lighting and ceiling fans throughout. The layout flows seamlessly into a reimagined kitchen boasting brand-new flooring, quartz countertops, a stunning design accent wall, a portable island, and a new stainless appliance package. Both the master and hall bathrooms have been completely renovated from top to bottom including fully tiled showers, and a dedicated laundry closet includes a brand-new washer and dryer. Outside, you can relax on the front porch or the new back deck, while a massive detached storage shed with a partial second floor conveys with the property. Move in with total peace of mind thanks to a recent perimeter termite treatment, leaf guard roof protection, and a complete professional crawlspace remediation.
