The split bedroom design ensures a private primary suite with a walk-in closet and a spacious bathroom equipped with a double vanity and a 5-foot shower. Blinds are included on all standard-sized windows, and the living room and bedrooms are pre-wired for cable and ceiling fans. The home also includes a two-car garage with a garage door opener. Experience the convenience of the Smart Home installation, allowing you to control the thermostat, front door light and lock, and video doorbell from your smartphone or with Alexa voice commands. You will love the screened in extended 15x15 patio area.
