Description

LESS THAN A MILE TO THE OCEAN. BUT THIS ISN'T YOUR TYPICAL BEACH CONDO. Three bedrooms. Two baths. One level. End unit. Private 2-car garage. Welcome to 1457 Saint Thomas Circle F-3 in Brittany Park—where you can live remarkably close to the Atlantic without giving up the space, privacy and everyday functionality of a home. Step inside and the difference becomes obvious. An open layout connects the kitchen and main living spaces, while LVP flooring gives the interior a clean, modern feel. The kitchen delivers plenty of cabinetry and workspace, along with an island, breakfast bar and pot filler—equally ready for Tuesday-night dinner or a house full of guests. The split-bedroom design creates separation where it counts, while the main-level primary suite means there are no stairs between you and your everyday routine. Tray ceilings add architectural interest, and the end-unit position adds another layer of privacy. Then there's the feature beach-area buyers know can be surprisingly hard to find: Your own private 2-car garage. Beach gear. Bikes. Golf clubs. Cars. Storage. There's finally somewhere to put all of it. Outside, enjoy your patio while the HOA handles exterior and grounds maintenance—giving you more time to enjoy a Myrtle Beach location less than a mile from the sand and convenient to shopping, dining, medical services and everything the Grand Strand puts within reach. **THE QUICK TAKE** 3 Bedrooms • 2 Baths • One-Level Living • End Unit • Approx. 1,800 Heated Sq. Ft. • 2-Car Garage • Main-Level Primary • Split-Bedroom Layout • Open Living • LVP Flooring • Patio • Brittany Park • Less Than 1 Mile to the Atlantic A lot of properties let you live near Myrtle Beach. This one lets you live near the beach without living like you bought a beach condo. Schedule your private showing of Saint Thomas Circle F-3 and see just how much home can fit this close to the ocean.
