Description

Tucked inside the sought-after golf course community of Coastal Heights in Conway, this is the kind of home that feels special the moment you arrive. With 6 bedrooms, 5.5 bathrooms, and a spacious 3-car garage, there's room here for everyone---whether you're hosting family for the holidays, entertaining friends, or just enjoying a quiet night in with plenty of space to spread out. Step inside and you'll immediately notice how open and inviting everything feels. The living room is the heart of the home, with soaring vaulted ceilings, warm wood accent beams, and a fireplace that makes the whole space feel cozy without losing that grand, airy feel. Natural light pours in, and just beyond, you'll catch peaceful views of the golf course---one of those little everyday luxuries that never gets old. The kitchen was made for gathering. There's an abundance of counter space, stainless steel appliances, and room for multiple people to cook, snack, and linger all at once. It flows easily into the main living areas, making it perfect for everything from casual mornings to full-scale entertaining. One of the standout features here is the flexibility. With two primary suites, this home works beautifully for multi-generational living, long-term guests, or simply giving everyone their own private retreat. Each bedroom offers comfort and space, while the bathrooms are thoughtfully designed to keep up with a full house. Throughout the home, you'll find a seamless blend of tile and hardwood flooring---both stylish and easy to maintain. Every detail feels intentional, creating a space that's both elegant and livable. And then there's the setting. Enjoy serene golf course views right from your own back patio, all without the burden of an HOA. It's a rare combination---privacy, freedom, and a beautiful, established community. When you're ready to explore, you're just a short drive from historic downtown Conway, with its charming riverwalk, local shops, and restaurants, as well as the beaches, dining, and entertainment of Myrtle Beach. This isn't just a large home---it's one that brings people together, gives everyone their own space, and makes everyday living feel just a little more elevated.
