Description

Fall feels a little different when you have 3.83 acres to call home. Welcome to 1466 Green Valley Way, where country living means room for horses, chickens, four-wheelers, and plenty of space to simply enjoy the outdoors. Built in 2021, this beautifully maintained 4-bedroom, 2.5-bath home offers 2,282 square feet of modern comfort, including an open-concept living space, granite kitchen, dedicated home office, and spacious owner's suite. Step outside to the covered back porch and imagine crisp fall mornings with a cup of coffee, afternoons exploring the property, and evenings enjoying the quiet of country life. With a private well and septic and convenient access to schools, shopping, and major routes, this is the kind of place where you can slow down without being too far away. More space. More freedom. More room to live the life you've been dreaming about. Disclaimer: CMLS has not reviewed and, therefore, does not endorse vendors who may appear in listings.
