Description

Welcome to 148 Bucky Loop, a beautifully maintained 4-bedroom, 3-bath home offering nearly 2,400 heated square feet in Murrells Inlet's desirable Inlet Reserve community. Behind its stacked-stone accented exterior and 8-foot front door, you'll find a flexible floor plan filled with thoughtful upgrades, custom cabinetry, and exceptional storage throughout. With three bedrooms on the main level, the home offers plenty of flexibility, including a private primary suite, guest accommodations, and a flex room/4th bedroom currently used as an office with French doors and a custom built-in workspace. The bright, open kitchen, dining, and living area creates an easy place to gather, whether you're cooking for a crowd, entertaining friends, or winding down by the fireplace. Upstairs adds an additional bedroom, full bath, and spacious loft with another custom built-in workspace, making it ideal for guests, a second living area, hobby space, or whatever fits your lifestyle. Out back, enjoy morning coffee or evening cocktails from the covered patio with automated retractable screens, overlooking a large, fully fenced backyard with plenty of room to relax, play, or entertain. An epoxy-finished garage with custom storage, whole house water filtration system, and smart-home features throughout add even more everyday functionality. Tucked away in Inlet Reserve just off Tournament Boulevard, you'll enjoy a quiet residential setting with the International Club of Myrtle Beach golf course practically at your doorstep. Zoned for St. James schools and close to area hospitals and healthcare, you're also just minutes from the MarshWalk, beaches, marinas, shopping, dining, golf, and everything that makes the Murrells Inlet lifestyle so special. At 148 Bucky Loop, the details have already been thought through. All that's left is to make it yours.
