Description

Seller Says Sell! A little more room changes everything! Set on a wooded half-acre lot in Brunson Springs, this well-maintained 3 bedroom, 2 bath home offers an open layout, vaulted ceilings and LVP flooring. The kitchen keeps things bright and functional with white shaker cabinetry, granite countertops, stainless appliances and a generous quartz center island with extra storage and workspace. The primary suite includes a tray ceiling, walk-in closet and updated bath with an oversized walk-in shower. French doors lead to the patio covered with a trellis! A wonderful spot for your morning coffee! The spacious backyard is bordered by mature trees for added privacy. There's a 12 x 16 storage shed in place with power and gutters! Plus plenty of room to customize more with a pool, garden or an expanded outdoor entertaining area. Irrigation, gutter filters and an oversized garage add to the practical side of the property. Convenient access to Highways 22 and 31 keeps Conway, Myrtle Beach and the Grand Strand within easy reach while giving you a little more breathing room at home. Don't Delay! Arrange a private tour today!
