Description

NO HOA, plus two acres, a saltwater pool, mountain views, and room to spread out... this is the kind of Travelers Rest property that's getting harder to find! Set on approximately two beautiful acres surrounded by mature trees, this home offers nearly 4,000 square feet of flexible living space along with the privacy and outdoor space so many buyers are looking for. Step outside and you'll quickly understand what makes this property special. The large saltwater pool anchors a private backyard built for summer afternoons, cookouts, and gatherings, while the expansive lawn provides plenty of room to play, garden, or simply enjoy having some space between you and the neighbors. A large deck overlooks it all, and the property also offers an outbuilding, fenced areas, mature landscaping, and beautiful mountain views. Inside, fresh paint and beautifully updated bathrooms make the home move-in ready, while the generous square footage provides an incredible amount of flexibility. The main level features a large dining room with fireplace, an updated kitchen with granite countertops, and an oversized family room with plenty of space for everyone to gather. A spacious main-level bedroom sits adjacent to a full bath, offering convenient first-floor living today and the potential to create a showstopper master suite, which could really put this home over the top! Upstairs, generously sized bedrooms and an enormous bonus/flex area provide plenty of room to adapt the home to your needs, whether that's a playroom, media room, home office, homeschool space, library, or additional living area. The oversized attached garage is another standout, with plenty of room for vehicles, storage, hobbies, and all the gear that comes with enjoying two acres. Over the garage is a large unfinished room that could easily be converted to a guest suite. With nearly 4,000 square feet, approximately two acres, a saltwater pool, oversized garage, updated interior, mountain views, and a fantastic Travelers Rest location, finding this combination at \$649,900 is no easy task. Come see just how much this home has to offer!
